

Spend the summer at Churchill!

All camp activities take place in the Churchill auditorium and surrounding classrooms. The areas are all air conditioned, however, brief activities may take place outside. Whether your child is an experienced actor, a shy kid, or someone who simply entertains all, this is the camp for them!

Profits from this camp go to support the students and chaperones traveling to perform *RENT: School Edition* at the Edinburgh Fringe Festival in Edinburgh, Scotland in August 2009 as well as the other high quality productions the Potomac Community has come to expect.

Drama Camp at Churchill HS

After three wildly successful years, Churchill Drama Camp is back! Each session of Drama Camp features creative dramatics, theatre games, short plays, and an arts and crafts activity each day. The week-long session will culminate with a special Friday performance for parents at 2:00pm!

Students can choose to take Session 1 or 2 (or both). Similar activities will be done each week, but the culminating performances will be different.

Trained high school counselors from many of the Churchill productions will work under the guidance of Drama Director Mrs. Jessica Speck to make truly memorable experiences for your children!
